**From Penola's Plains:** Loving God, we give You thanks this day as gladly we rejoice,  
That a woman's life should so proclaim a love that heard Your voice.  
Now inspired by her example, may we strive to seek Your face,  
So that in our rugged homeland the poor will find a place.  
Here with Mary of the Cross we pray Your truth may guide our way,  
That our open hearts may hear Your call to follow You each day.

Hearts that grow with faith-filled learning in schools inspiring youth,  
Eyes embracing God in Nature, and minds in love with truth:  
Such the single-minded vision of Julian's mission heart  
And of all the founding Sisters with whom we play our part.  
Their same Spirit is upon us for need is at our door,  
We rejoice to grasp like Mary, the blessing of the poor.

Holy Spirit gift of love divine, with You we dare to dream.  
May Your wisdom come to lead us on where justice reigns supreme.  
Now may Mary's love inspire us, and the cross still lead us on.  
Give us hearts that never waver 'til victory is won.  
Let our lives show forth Your tender love, compassion warm and bold.  
Help us bring Good News to all the world, Your Spirit Love unfold.

*Refrain:*    Wherever you go, whatever you do,    **I'll be always loving you.**

Let me love the world through your heart,  
Let me heal your wounds with my touch.    *Refrain*

*Bridge*    I will be your God your comforter.    I will hold you close in my heart.

Let me see the world through your eyes,  
Let forgiveness shine through your smile.    *Refrain*

*Refrain:*    **Behold the glory of God**, the Day-Star arising!  
Christ Jesus shines on the earth, with mercy enduring!

Night of hope, night of glory divine—    Darkness conquered evermore.  
Christ triumphant shines on the earth    With joy that endures.    *Refrain*

Dance for joy all you angels of God,    Let the pow'rs of heav'n exult.  
All creation, join now in song:    "Salvation is won!"    *Refrain*
