**O God, our help in ages past,**      Our hope for years to come,  
Our shelter from the stormy blast,      And our eternal home.

Before the hills in order stood,      Or earth received her frame,  
From everlasting Thou art God,      To endless years the same.

A thousand ages in Thy sight      Are like an evening gone;  
Short as the watch that ends the night      Before the rising sun.

Time, like an ever-rolling stream,      Bears all its sons away;  
They fly forgotten, as a dream      Dies at the opening day.

O God, our help in ages past,      Our hope for years to come,  
Be Thou our guard while life shall last,      And our eternal home.

**Be not afraid:** You shall cross the barren desert, but you shall not die of thirst.  
You shall wander far in safety though you do not know the way.  
You shall speak your words in foreign lands and all will understand.  
You shall see the face of God and live.      *Refrain*

*Refrain:* Be not afraid I go before you always Come follow me, And I will give you rest.

If you pass through raging waters in the sea, you shall not drown,  
If you walk amid the burning flames, you shall not be harmed.  
If you stand before the pow'r of hell and death is at your side,  
Know that I am with you through it all.      *Refrain*

*Refrain:* **Sing a new song** unto the Lord; let your song be sung from mountains high.  
Sing a new song unto the Lord, singing alleluia.

Shout with gladness, dance for joy. O come before the Lord.  
And play for him on glad tambourines, and let your trumpet sound. *Refrain*

Rise, O children, from your sleep; your Saviour now has come.  
He has turned your sorrow to joy, and filled your soul with song.      *Refrain*
